**REQUEST FOR RECONSIDERATION AND WITHDRAWAL OF
HOLDING OF ABANDONMENT IN VIEW OF CERTIFICATE OF
MAILING PRACTICE UNDER 37 CFR 1.8**

Applicants have been informed by Examiner Beatty that the subject application has been abandoned for Applicant's failure to timely file a proper reply to the Office letter mailed on 05 July 2006. The Notice of Abandonment was mailed 30 January 2007 and received 2 February 2007.

A timely response to the Office Action mailed 05 July 2006, comprising an Amendment, was mailed 29 September 2006. The Amendment contained a Certificate of Mailing as set forth in 37 CFR 1.8(a) and signed by Carmen V. Nersinger. The last paragraph of the Amendment included authorization for payment of any additional fees for which an additional copy of the Amendment was provided. A copy set of the Amendment has been attached to this Request for Withdrawal of Abandonment.

Also attached hereto is a copy of the postcard which accompanied the documents mailed 29 September 2006. The postcard was returned with the Office "MAILROOM" stamp indicating receipt by the United States Patent and Trademark Office on 04 October 2006. As stated in MPEP 503 "A postcard receipt which itemizes and properly identifies the papers which are being filed serves as prima facie evidence of receipt in the PTO of all items listed thereon on the date stamped thereon by the PTO." The copy of the date-stamped, return-receipt postcard from the USPTO; and a copy of the face of the application folder; along with a screen-print of Applicant's database has been attached to this Request for Withdrawal of Abandonment as further proof Applicant's submission and the USPTO's receipt of the Amendment submitted in a timely fashion.

The amendment originally mailed on 29 September 2006 and received by the United States Patent and Trademark Office is a complete response to the Official Action mailed 05 July 2006. Therefore, it is respectfully requested that the holding of abandonment be withdrawn in view of the timely mailing with the Certificate of Mailing under 37 CFR 1.8(a).

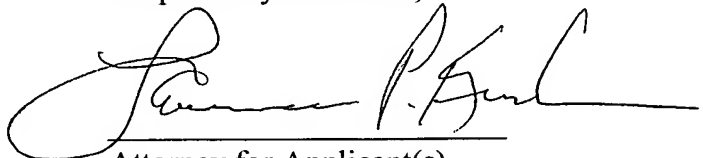

The undersigned does not believe a Petition to Revive is required, as the subject application has not been abandoned as evidenced by Applicant's timely response mailed 29 September 2006, in accordance with the Certificate of Mailing practice under 37 CFR 1.8(a). In the alternative, it is requested that this letter be considered as a Petition to Revive an unintentionally abandoned application under 37 CFR 1.137(b) as the abandonment was unintentional.

It is respectfully requested that the amendment be considered.

The Commissioner is hereby authorized to charge any fees related to this communication to Eastman Kodak Company, Deposit Account No. 05-0225.

(A duplicate copy of this letter is enclosed).

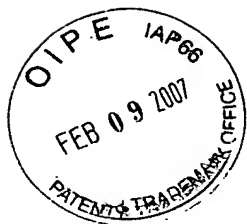

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Lawrence P. Kessler", written over a horizontal line.
